

Library Volunteers Are Incredible!

There are many exciting activities planned for your child this year at the Barbers Hill Elementary Library Media Center. To coordinate our book fair, author visit, incentives for the children, and other activities takes the cooperation of staff members AND volunteers.

There are opportunities for everyone and we value your time and support. You may volunteer a certain day/time each week or for a specific activity. We invite everyone to take part in your child's reading and our library programs!

Our theme for the Elementary Library is *Here's To Our Heroes: Reading Saves The Day*. We have many educational and fun activities planned this year. We want our students to show off their super powers and inspire them to read.

Please feel free to stop by the library or contact us if you have any thoughts or questions.

Sincerely,

Melissa Johnson, Librarian
